U.S. Department of Peace

Walk for Peace

Time:
Date:
Location:

***Help Create a U.S. Department of Peace!
Join the National Walk for Peace in our community!***

WHO: YOU, your friends, and others ready to literally walk the talk of *peace*.

WHAT: A new twist on the traditional walkathon fundraiser!

WHY: To raise awareness and money to support The Peace Alliance and the national grassroots campaign to create a Department of Peace and Nonviolence in the U.S. federal government.

Legislation is currently before the U.S. House of Representatives (H.R. 808) to create a Cabinet-level Department of Peace and Nonviolence that would research, facilitate and articulate nonviolent solutions to domestic and international conflict. The Department of Peace would be led by a Secretary of Peace and include a Peace Academy on par with current military service academies. You can help bring this vision to reality. Participate today!
